### OBJECTIVES OF THE SOCIETY: -

1. To spread awareness regarding the ethical treatment and protection of animals.
2. To inculcate values of empathy, compassion, and responsible behavior towards animals.
3. To create awareness among students and staff on issues related to animal welfare, wildlife protection, and environmental balance
4. To collaborate with recognized animal welfare organizations and veterinary professionals.

### Activities to be Conducted: -

1. To organize Lectures, workshops and film screenings on animal protection laws, environmental ethics, zoonotic diseases and best practices in animal care.
2. Creation of safe animal feeding areas, first-aid response teams for animals in distress, and partnership with local veterinary hospitals or shelters.
3. Study circles, legal aid camps, and public interest research on implementation of the Prevention of Cruelty to Animals Act and other applicable laws.
4. Promotion of Campaigns against plastic use and animal exploitation on campus
5. Conducting sensitization workshops especially in areas with frequent human-animal conflict. Innovation can be encouraged in this area.
6. Facilitate internships with District Society for the Prevention of Cruelty to Animals (SPCAs), local veterinary hospitals, forest departments or organizations involved in rescue and disaster management.
7. Encourage Final year projects and dissertations on interdisciplinary themes such as animal protection law, zoonotic diseases, ethical consumerism and urban wildlife ecology.
