Objectives:

- To make sure everyone in the University has equal opportunities and to promote social inclusion.
- To provide equal access to resources for students with disabilities and create a supportive environment with the right infrastructure and academic help. We will also pay special attention to their needs and offer extra encouragement and support for their studies.
- To assist students from disadvantaged backgrounds in addressing issues related to discrimination.
- To help economically disadvantaged students find and apply for scholarships, financial aid, and career development opportunities.

The committee shall meet atleast once in a semester to review the activities of the cell and to solve the problems if any.
