VICE-CHANCELLOR'S MESSAGE

It is with immense pride and a deep sense of gratitude that I present this Annual Report, which encapsulates the milestones achieved during the past year. The year (July 2023 till June 2024) has been a testament to the dedication, innovation, and collaborative spirit of our university community.

Here are some of the highlights that reflect our commitment to excellence:

- Our students and faculty have continued to shine on national and international platforms, with over 48 research papers published in prestigious Journals and 9 Patents. Teachers from various Schools attended Seminars/Conferences/Workshops etc. Quiet a number of teachers attended Faculty Development Programmes which was on NEP 2020.

- Our students earned internships at recognized organizations, and brought awards from conferences, competitions, and sporting events. This year more than 90 students were placed in pharmaceutical companies, private hospitals, computer organizations etc. University promotes a culture of participation amongst students in co curricular activities. During July 23 till June 24 more than 50 such activities were organized.

- Through outreach programs, workshops, and initiatives, we made significant contributions to the local community, emphasizing the importance of social responsibility.

Looking ahead, we are committed to embracing innovation and fostering a culture of continuous improvement in the coming years. We are confident in our ability to overcome any obstacle and achieve our goals. We will continue to prioritize academic rigor, research advancement, and community engagement.

I express my gratitude to our students, faculty, staff, and stakeholders for their unwavering support.

Prof. Madhu Parhar
Vice Chancellor

STAREX UNIVERSITY

CURRICULAR ASPECTS

Schools of Studies

(1) School of Agriculture Science

B.Sc. Agriculture is 4 year undergraduate professional course divided into 8 semesters. The four-year program aims to provide related knowledge, practical skills, and competencies in agriculture. This degree prepares students for a wide range of careers related to the agriculture industry and other allied industries.

A student pursuing B.Sc.(Hons) Agriculture course will study a wide variety of subjects including agronomy, soil sciences, horticulture (fruit science & vegetable), plant breeding and genetics, entomology, plant pathology, animal sciences, extension education, plant biochemistry, agriculture economics, basics of biotechnology, etc. The syllabus is as per the guidelines of ICAR (Indian Council of Agriculture Research) and is designed to train the students to understand ways of improving the crop production in a sustainable manner and to provide overall knowledge related to agriculture and related disciplines.

The School offers the following Academic programmes:

- ***B.Sc. (Hons.) Agriculture Science (4 Years)***

School Activities

- Students visited the Agrofarm in Dharuhera (Rewari).
- Educational tour to Jaipur, including a visit to the Biological Garden, where a variety of endangered flora and fauna are conserved. This visit facilitated taxonomic study and research.
- Online guest lecture on Greenhouse Gas Measurement.
- Tree plantation drive on the University Campus.
- Students visited Sheel Biotech Limited in Sehrawan, Manesar, Gurgaon.

STAREX UNIVERSITY

(2) School of Commerce and Management

The major aim of the School of Commerce and Management is to prepare the students as per modern day industrial requirement in the field of Accounting, Finance, Marketing and Human Resource Development along with International business acumen. Finance Specialization focuses on Corporate Finance, Wealth Management, Investment Banking, Portfolio Management and Insurance.

Specialization in marketing focuses on Retail Marketing, Service Marketing, Product and Brand Marketing, Rural and Green Marketing. Specialization in Human Resource Management (HR) stream lays focus on Industrial Training and Development, Human Capital Management, Organizational Development, Industrial Relations and Personnel Management. BBA stream also plays a vital role in business disciplines.

The School offers the following Academic programmes:

- *MBA in Collaboration with IBM (Marketing, Finance, Human Resources Management, International Business, Information Technology)*
- *BBA in collaboration with IBM (Data Analytics)*
- *B.Com (Pass)*
- *B.Com. (Hons.)*
- *M.Com.*

<u>School Activities</u>

- IBM training program on analytics for various functional areas.
- Workshop on "Introduction to Business Analytics."
- Guest lecture on "The Importance of Entrepreneurship for the Economy."
- Industrial visit to Ecoverva E-Waste Recycling Pvt. Ltd. for insights into e-waste management and sustainable development.

(3) School of Physical Sciences

The School's aim is to contribute the understanding of the physical world through excellence in observational, theoretical and experimental science and to extend quantitative, qualitative and combined methodologies to address problems in the fields of science. The faculty is committed to produce quality research and at the same time is vitally concerned with undergraduate and postgraduate teaching.

Curriculum of the School is designed to meet the needs of a wide variety of students ranging from those with little technical background who seek insight into the activities and accomplishments of physical scientists to those seeking a comprehensive understanding that prepares them for creative research in physical science. Studying Physics, Chemistry, Mathematics and Statistics opens doors to a range of sectors and opportunities. The employment opportunities available after achieving graduation and post-graduation degree in physical sciences are not only great in terms of pay package and perks but also in job satisfaction.

The School offers the following Academic programmes:

1. ***M.Sc. Physics***
2. ***M.Sc. Chemistry***
3. ***M.Sc. Mathematics***

School Activities

- An expert lecture on "Nanotechnology and Job Opportunities" was organized by the Chemistry Department.
- Academic and industrial visit for all UG and PG students to the Institute of Pesticide Formulation Technology, Udyog Vihar, Gurgaon.
- An expert lecture on "Crack Competitions with Vedic Mathematics" was organized by the Mathematics Department.
- An expert lecture on "LaTeX Learning" was organized by the Mathematics Department.
- National Science Day was celebrated.
- A workshop on R-Software was organized by the Mathematics Department.
- National Space Day was celebrated.
- A seminar on E-Waste Management was conducted.

- Academic and industrial visit for all UG and PG students to Yakult India Pvt. Limited.
- Academic and industrial visit for PG students to Marks Exhaust System Ltd., Plot No. 159-160, Sec-5, IMT Manesar, Gurugram.

(4) School of Computer Science & School of Engineering and Techonolgy

School of Computer Science is envisioned to prepare competent, creative, and innovative Computer Scientists who could be capable of meeting the challenges posed by these burgeoning knowledge disciplines. With the strength of preparing competent Computer Scientists, the school aspires to play a leading role in national vision of creating the futuristic knowledge economy through creativity and innovation in Information and knowledge technologies.

The School of Computer Science strives to promote a healthy and supportive community atmosphere for everyone. Our goal is to create, encourage, and support student's academic, social and professional opportunities in the computer sciences and to promote the Scope of the field and its diverse community

The School offers the following Academic programmes:

1. MCA
2. BCA in collaboration with IBM(CYBER SECURITY)
3. B.Tech CS & Engineering collaboration with IBM
4. B.Tech CS & Eng. Collaboration with IBM (M.L& A.I)

School Activities

- Expert Lecture on Computer Vision
- Industrial Visit to Network Bulls
- Industrial Visit to Yakult
- Hackathon at K.R. Mangalam University.
- IBM Hackathon at GLA University, Mathura

(5) School of Pharmaceutical Sciences

Pharmaceutical Science is a dynamic and interdisciplinary domain that aims to integrate fundamental principles of pharmacognosy, pharmaceutics, pharma chemistry & pharmacology to understand how to optimize delivery of drugs to the body and translate this integrated understanding into new and improved therapies against human diseases. A Diploma in Pharmacy is specifically designed to create professionals who can prepare, analyze and dispense various pharmaceutical dosage forms. Students can qualify to be Government Pharmacist, Hospital Pharmacist, Dispensing Pharmacist, Medical transcriptionist etc.

The School offers the following Academic programmes:

1. M. Pharma (Pharmaceutics)
2. Bachelor in Pharmacy
3. Diploma in Pharmacy

In addition to the School of Pharmacy, University also has a College of Pharmacy. The college offers, Diploma in Pharmacy.

Research and Innovation Cell

Starex University is a research oriented university. It gives special importance on creation of a research ecosystem and integrating research at both undergraduate and postgraduate levels of studies. Academic, basic and applied research, scholarly publications and creativity is the fundamental building block of the academic mission of the University. The research is classified as Ph.D. programmes and Research projects.

Ph. D. Programme

The University encourages the Ph. D. programme in the thrust areas of different departments. The University has fellowship schemes to the qualified students as per the Ph. D. ordinance. The University supports Ph. D. students with contingency, travel grant to attend national and international conferences.

Research PROJECTS

From the very beginning, the University encourages faculty to conduct research. Thus, University has developed a scheme for providing financial assistance to minor research project for faculty members. According to this scheme, a faculty member prepares minor research project, which is submitted to a committee at University level and on the recommendations of this committee the University gives financial assistance up to a recommended amount to the faculty concerned. To have the periodical assessment for all such research projects and with an aim to guide the researcher, the departmental or institutions level committee is constituted. It is also mandatory to send a quarterly progress report of such minor research project to the University.

STAREX UNIVERSITY

The Mahatma Budh Central Library is sanctum sanctorum of Starex University. The structure of the Library building has been designed by a reputed German architect. It is the seat of knowledge for the students, research scholars, the entire learned faculty and other staff members.

The Library is equipped with latest facilities to supplement the requirements of academics and researchers. The Central Library automates all its activities through KOHA software to provide a wide range of academic resources such as books, journals, DVD's. It has online repository such as (DELNET, ManuPatra, West Law, ELSEVIER Science Direct and National Digital Library), useful open resources namely (NISCARE, NPTL etc) and useful reading materials on Library web OPAC (Online Public Access Catalog). It is a modern library with Wi-Fi facility.

The Central Library is fully air-conditioned and is spread over 13,988 square meters of area with a sitting capacity of more than two hundred users. It has a sufficient number of books, dictionaries, encyclopedias on various subjects. It also subscribes to a good number of national and international journals and magazines (printed and online) covering all schools of the university. The library has separate reading areas for students, researchers and faculty members. In addition to the Central Library, the departmental libraries are also proposed to be established for all the existing schools of the University.

Library provides printing, scanning and photocopying services (Reprography Services) to all the students, research, scholars, faculty and staff.

Library Users can retrieve online information relating to all library activities.

Arranging Online Databases through Local Area Network (LAN) to all registered users, is an important activity of the Library.

The Central library consists of following sections:

- Journals / Periodicals Section
- Newspapers Reading Section
- Reprography Section
- Audio Video Section
- Binding Section
- Digital Library Section
- Circulation Section
- Reference Section
- User Property Section
- Technical Section

ICT Infrastructure

2023-24 was a busy year for IT Department. IT Department made major upgrades to the university's digital infrastructure, including installing fiber optic connectivity to connect major locations on the campus. This high-speed backbone allows for seamless communication and collaboration between locations. We have also enhanced the network monitoring tools to keep a close eye on performance and security. Another big project was transitioning our CCTV surveillance system to a state-of-the-art IP platform. The new system provides an easily managed and robust platform to help keep the campus safe. On the wireless side, we expanded Wi-Fi coverage across the university to minimize dead zones and ensure reliable access everywhere. Finally, we migrated our staff and faculty emails to G Suite, bringing the power of Google services to our university domain. Though each project presented its own challenges, we systematically tackled them one by one to modernize our IT capabilities. Our infrastructure is now positioned to support the university's needs today and is ready for future up gradation.

Campus is covered with high speed indoor and outdoor Wi-Fi access points, smart cameras surveillance with IP cameras throughout the campus.

Some of the highlights of the IT department are given in the Table

INDEPENDENT AUDITOR'S REPORT

To

The Members of **Starex Foundation**

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Starex Foundation** ("the Company"), which comprise the Balance Sheet as at March 31, 2024 and the Statement of Profit and Loss and Statement of Cash Flows for the year ended on that date, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its Profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure(s) to Board's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable Assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, on the matters specified in paragraphs 3 and 4 of the Order, in our opinion and according to the information and explanation given to us, the said order is not applicable to the Company.

2. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flows Statement dealt with by this report are in agreement with the books of account;

(d) In our opinion, the aforesaid Financial Statements comply with the accounting standards specified under section 133 of the Act**,** read with rule 7 of the Companies (Accounts) Rules, 2014;

(e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) Since the Company's turnover as per audited Financial Statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide MCA notification No. G.S.R. 583 (E) dated June 13, 2017;

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

3. With respect to the matter to be included in the Auditors' Report under section 197(16):

Since the Company is a private limited company, the provisions of Section 197 of the Companies Act, 2013 are not applicable to it. Accordingly, reporting on the compliance with the provisions of Section 197 of the Act is not applicable.

1 Significant accounting policies

a Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting except for certain financial instruments which are measured at fair values and comply with the Accounting Standards prescribed by Companies (Accounting Standards) Rules, 2006, as amended, other pronouncements of the Institute of Chartered Accountants of India (ICAI) and the relevant provisions of the Companies Act, 1956, (the Act‟) to the extent applicable.

b Use of estimates The preparation of financial statements in conformity with the generally accepted accounting principles ('GAAP') in India requires management to make estimates and assumptions that affect the reported amounts of income and expenses of the period, assets and liabilities and disclosures relating to contingent liabilities as of the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in future periods.

c Revenue Recognition Revenue from sale of goods is recognized on transfer of significant risks and rewards of ownership to the customer and when no significant uncertainty exists regarding realization of the consideration. Sales are recorded net of sales returns, rebates and trade discounts and price differences.

Interest : Interest on bank deposits is recognised on accrual basis.

Dividends : Revenue is recognised when the shareholders' right to receive payment is established by the balance sheet date. Dividend from subsidiaries is recognised even if same are declared after the balance sheet date but pertains to period on or before the date of balance sheet as per the requirement of schedule VI of the Companies Act, 1956

Fixed Assets And Depreciation

d

i) Fixed assets are stated at cost, less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Financing costs relating to acquisition of fixed assets are also included to the extent they relate to the period till such assets are ready to be put to use.

ii) Depreciation is provided using the Straight - line method as per the useful lives of the assets estimated by the management, or at the rates prescribed under Schedule XIV of the Companies Act, 1956, whichever is higher.

Intangibles Software is stated at cost of acquisition and includes all attributable cost of bringing software to its working condition for its intended use.

Inventories

e Inventories are valued at lower of cost and net realizable value. costs include freight taxes duties and appropriate production overheads and are generally ascertained on the first in First out (FIFO) basis.

Earnings per share

m Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. **Share Capital**
